Tel. : +380 372 584-745

1982 - 1985 - graduate student of Chernivtsi State University

1985 - 2006 - Assistant Professor, Chernivtsi National University.

2007 - 2015 - Professor of the Department of Inorganic Chemistry, Chernivtsi National University

2015 - 2020 - Vice-Rector for Research and International Relations of ChNU

2020 - present - Professor of Chemistry and Food Safety Department, Chernivtsi National University.

Degrees (certificates):

Doctor of Science (chemistry of solid state) - 2006
Reader (Dozent) – Inorganic chemistry - 1989
M.S. – (Inorganic chemistry) - 1978

Research Interests

Point defect structure of CdTe and other A₂B₆ compounds
Solid State Chemistry
Crystal Growth
Electrical and optical properties of CdTe
Inorganic chemistry

Courses Taught

Inorganic chemistry
Technology of semiconductors
Teaching of Chemistry
Solving of chemical exercises

Interests/Hobbies

Mountain climbing, photo, volleyball, environment
