Communication skills I have volunteered for a handful of conferences in my university in which I acted as a guide to visiting professors and researchers

- patience and mediating skills. Giving feedback to students, solving their conflicts, answering their questions are all part of the skillset learned during the psychopedagogical module

Organisational / managerial skills - class management skills. Obtained during the psychopedagogy module. As a part of this, I also taught English in high school classes, where I had to manage a classroom and organise the lessons

Job-related skills -pedagogical knowledge in English and Romanian language teaching, learned during the psychopedagogy module
- have the qualifications to teach English and Romanian at any level, to any age groups, with the exception of special needs students
- good with Microsoft Office tools

Digital competence - can work with all Microsoft Office™ tools
 - web design knowledge : HTML, CSS, JavaScript
